

COMMANDER IN CHIEF PACIFIC

Dick 22 November 1972

Dear General Walters,

My time at CIA last week was very well spent, and I am grateful for the update you and your people gave me. I'll plan to visit you on subsequent trips to Washington to keep my hand in the business and take advantage of the talent you have under you.

Many thanks for the great lunch, and I'll look forward to your visit out this way.

Warm regard,

Noel
